

JOB VACANCY

Creative Interns

About WMA

WMA exists to create impactful results for its partners across the digital space. We connect brands, artists and audiences through the convergence of digital media, from music and entertainment, to lifestyle and technology.

The WMA network is highly experienced and extends globally, with bases in London, New York and LA to provide a fully integrated digital service.

By building strong relationships and original engagements, we work to create something truly memorable for our clients.

Brand Clients: Universal, Polydor, Vevo, ITV, Republic Records, Sony, Ministry of Sound, RCA.

Selected artists: Years & Years, Crystal Fighters, Take That, Olly Murs, Tiggs Da Author, Ellie Goulding.

The Role

WMA is looking for a young and ambitious digitally focused Designer, to join a rapidly growing creative team at its main offices in West London. The ideal candidate will have strong skills in motions graphics, and be fully engaged with music and social media trends. They will actively contribute to all of WMA's creative output across our global client roster of Artists and Brands.

We want someone with bags of creative ideas and the ability to implement those in a variety of mediums covering everything from quick fire social media posts and animated gifs to lyric videos and specialist branded content.

Your day to day role will be focused on delivering the best creative output possible, working in collaboration with the Creative Director, Head of Design, Head of Social & Digital Channel Managers.

SKILLSET

You will be responsible for the production of a variety of digital content including, social media campaign design, lyric videos, digital advertising, artist video artwork, concept development, animated typography, brand campaign assets.

Candidates must demonstrate:

- Strong knowledge of Adobe After Effects & Adobe Photoshop
- A natural flair for illustration
- Experience in Adobe Premiere
- Impeccable attention to detail
- Passion in and strong knowledge of all things digital
- Keen interest in the application of new digital trends and software developments
- Ability to quality control own work
- Ability to multi-task and prioritise
- Excellent communication skills
- Team player - cross departmental teamwork required

WHAT ARE YOU REALLY GOOD AT?

- Coming up with creative ideas
- Working through problems in an efficient and orderly manner
- Exploring and investigating new solutions
- Picking up new skills

WHO WILL YOU BE WORKING WITH?

- Digital Managers who will scope out projects and be there to do final QA on all production outputs
- Heads of Department who will brief in job requirements and timings
- Creative services who will schedule in your time and develop projects
- Creative content team made up of Creative Directors, Digital Designers and creative strategists who will provide you with build assets and inspiration

WHAT WILL YOU LEARN FROM WORKING WITH US?

- Experience of working within a vibrant growing creative agency
- Experience working alongside a variety of digital disciplines
- Experience of working to an agreed spec, timeline and budget
- Experience in creating clever automation and dynamic communications
- We never want you to stop learning so we actively encourage our teams to innovate and upskill. We actively support growth and development.
